

The Basic Medallion Product Line from Featherlite Exhibits  
*Tension-Fabric Never Looked So Good!*

**MODEL #209**  
est. shipping weight 200lbs

*Designed for  
Simplicity & Value*

**MODEL #109A**  
est. shipping weight 134lbs

Medallion is a light-weight, portable display system with multiple design possibilities. Its aluminum, tube frame structure assembles quickly without tools. A tension fabric, washable, pillowcase graphic slips effortlessly over the frame. Unique shapes and a host of accessories create a style that is functional and compelling.

For full coverage graphics and unparalleled branding opportunities, Medallion has you covered.

# SIMPLICITY

Tool-Less    Seamless    Compact    Washable    Flexible
